If Others Civil Works

Business Model / Profile in detail Mrs. Pantala Laxmi runs a company under the name Pantala Laxmi Civil Work Contractor. According to the available documents, the labour license was registered in 2025. The nature of the business is civil works, primarily involving the construction of individual houses and apartments. She charges a fair rate, ranging from 1,800 to 2,000 per square foot. Currently, the applicant is working on a project involving the construction of a G+3 house on an 80-square-yard plot, charging 1,800 per square foot. Although Mrs. Laxmi is the owner of the business,

she does not have complete knowledge of the operational aspects, as her husband, Mr. Narsimha, manages all business activities. The firm is registered as a sole proprietorship, with the applicant as the proprietor and her husband overseeing the operations. The business generates an approximate monthly net income of 50,000 and is operated from her residential premises.

Summary

The applicant has one active loan. It was observed that the applicant is not maintaining proper work orders. She has provided only one ongoing project work order, which was initiated

Overall summary along with Risk/Mitigant if any and detailed comment on end use

recently on 10th November, and no signatures were found on the agreement. The applicant has not provided any previous work-related documents or work orders. During the site visit to the ongoing project, the work was verified and found to be in progress. It was also observed that the rental agreements were created recently. When visiting the residential premises, a few rooms were found to be vacant, and no tenants were present, although rental agreements were available. A name board was displayed at the premises. One work order and one rental agreement were observed, but no bills were found. The construction work was ongoing at the site during the visit.
